## EDUCATION

**FEBRUARY 2020 - TO DATE**

**FULL TIME STUDENT**, UNIVERSITY OF THE WITWATERSRAND

At the University of the Witwatersrand, I am a third year currently studying to get a degree in digital arts.

In this degree I have:

- Implemented code such as CSS, HTML and Javascript in Visual Studio Code, and C# in Unity.
- Animated, modeled and drawn in programs such as Blender and Krita.
- Studied theory about games, visual narratives and representation.
- Created narratives, and digital and analogue game prototypes

**JANUARY 2015 – TO NOVEMBER 2019**

**SCHOLAR**, PARKTOWN HIGH SCHOOL FOR GIRLS

At Parktown High School for Girls, I was an active member of the hockey club - where the highest team I played for was second team, and a member of the advanced marimba band in 2015. I was honoured with leadership roles in 2015 and 2019 as a grade prefect and a uniform monitor respectively. In 2019, I graduated with full attendance (199 of 199 days) and achieved a National Senior Certificate.
